

A well-functioning Academic cell, both for UG, PG/PhD students, is functioning in the College. The cell handles all the academic affairs of students of the College. Course planning and allotment, conduct of PG entrance examination, organizing orientation programme for newly admitted students, preparation of time-table, monitoring the registration, conduct of University examination for UG courses, tabulation of marks, providing guidelines for preparation of research programme, conduct of College Council and Faculty Research Council for the approval of research programmes, scrutiny and recommendation for approval of forecast, are some of the major activities of the cell. The cell is also in charge of the examination halls (Uthara and Dakshina), Seminar hall and class rooms.
