

A full-fledged labour management cell functions in the college, with an Associate Professor as the Officer-in-Charge. Sixteen men and sixty three women permanent labourers are at present on rolls. A senior farm supervisor is in immediate charge of the Cell. The main functions of LMC are distribution of labourers to various departments and schemes of the college, taking muster rolls and maintenance of DMS, keeping records of permanent labourers and distribution of wages and supervision of farm activities. The cell also makes arrangements for various functions like farewells and felicitations organized by the college.
